## Security Console Insert - Ford F150 XLT

Continuing the Tuffy legacy of designing and manufacturing the finest console inserts in the industry since 1997, Tuffy is proud to introduce our Security Console Insert for the Ford F-150 XLT with full center console and column shift.

This 16 gauge steel console insert provides style, security and convenience. While maintaining the refined curves of the OEM console, the Tuffy console insert transforms your OEM console into a heavy-duty lockable storage area utilizing Tuffy's Pry-Guard locking system with 10 tumbler double bitted security key to help protect valuables from thieves.

The Tuffy console insert provides access to optional OEM USB and power outlets inside the console utilizing an exclusive lid support feature that keeps the lid open. It maintains the stock armrest and lid. Durable texture powder coat finish. Installs in just a few minutes without drilling.

Patent pending.

Maintains full use of the factory armrest and lid.

Exclusive 10 tumbler double bitted lock with built in weather seals and convenient finger pull.

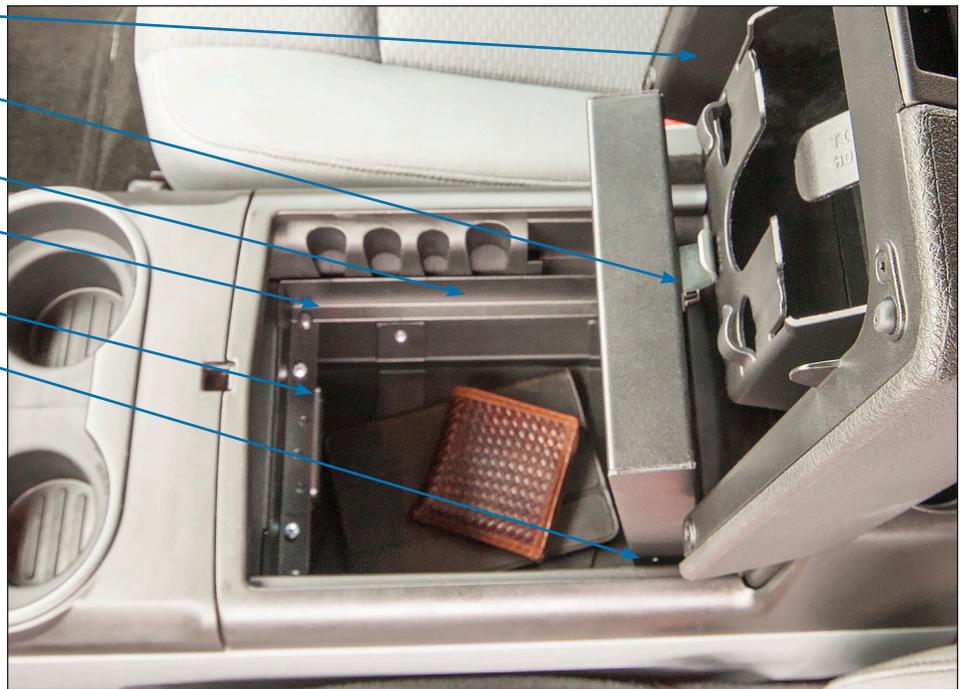

Welded 16 Gauge steel construction.

Durable texture powder coat finish.

Featuring Pry-Guard locking system with 1/8" thick welded steel components.

Tuffy exclusive lid support feature that keeps the lid open while accessing contents.

Quick and easy install, no drilling.
